

Valley Center High School Foundation Membership

The Valley Center High School Foundation is a 501 (3)C non-profit organization that provides financial structure to support and advance the educational and extracurricular opportunities for all students attending Valley Center High School. The Valley Center High School Foundation emphasizes teamwork and volunteerism within the school setting and community through its activities and fund-raising efforts.

The Valley Center High School Foundation is committed to the students and to helping Valley Center High School strive to reach and maintain a high level of educational excellence. The Foundation has been and remains a critical source of funding for many of the school groups, clubs and teams. It has been through the efforts of our fundraising events and other donations that thousands of dollars have been raised on behalf of the students.

The Foundation is entirely dependent upon donations from individuals (community and parents), business, outright gifts and support and attendance of its main fundraising events, which include The Jaguar Auction (held in the spring) and the annual Jaguar Charity Golf Tournament (held in February).

We would like to encourage all of our members to use Amazon Smile smile.amazon.com. Log on to smile.amazon.com (it's the products and service as Amazon), however, using the dropdown find VCHS Foundation click on it and start shopping. The VCHS Foundation receives .5% of what you have spent.

We hope you consider supporting and being a part of the Foundation.
