Dear Team/Club Rep.,

Thank you for helping us with the 22nd Annual Jaguar Auction!! Our goal is to raise needed money for the program you are involved with at VCHS. Only with KEY players like you can we make this a successful event.

Your packet consists of auction tickets, ticket log form/envelope, parent/club rep letter, auction donation letter, item donation form, item guidelines & an auction flyer. Please give each athlete/club member two tickets to sell and a parent letter. Make sure to log the ticket series #, their name and phone #. It is **vital to follow up with a phone call to their parents to inform them of the Auction and importance of selling the tickets and getting any Auction items they may be able to get. All Auction donation forms need to be in by 3:00 pm Wednesday, March 18th.**

Please encourage each athlete/club member to sell as many tickets as possible! It is important to collect the ticket stubs and money before issuing more tickets. Please stress the importance of not loosing the tickets and returning any unsold tickets.....they are like \$\$\$. Years ago we added the “Big Ticket” drawing and it increased ticket sales 4 times! The drawing enhances ticket sales and will add \$\$ to you program. All you need to do is sell ‘em! The winner need not be present.

The Auction is a community event and with your help and enthusiasm it’s sure to be another FUN and profitable event. So, mark your calendar for **April 4th, 2020 at 5:30 pm, VCHS Gym** and join us for an evening of fun, food and friends.

NOTE: Pre-Sale tickets are \$10----tickets at the door on the day of event will be \$15.
