Dear Team / Club Reps,

The 27th Annual Jaguar Auction has the potential of raising a great deal of money for your school team or club. Only with KEY players like you can we make this a successful event.

## Your packet includes:

- Auction Tickets
- Ticket Log
- Item Donation Form
- Auction Item Guidelines
- Business Owner Solicitation letter
- Sponsorship Rewards Program
- Auction Catalog Advertisements
- Auction Flyer
- Auction Day Information

***Follow up with a call or email to find out who will be securing items. Email the donation form and guidelines to these people.***

## Tickets:

- It is encouraged that every athlete or club member sells at least two tickets. However, this is not mandated. 100% of your ticket sales goes directly to your club/team.
- The ticket stubs must be filled out with the team/club name clearly written in the space provided so credit can be given. **Ticket money and stubs need to be turned into the Team/Club Rep. The Rep. will turn in all ticket stubs and monies on April 16th or during set up, the morning of the Auction. Unsold tickets are to be turned in also.**
- Ticket stubs will be used for the "Big Ticket" drawing the evening of the event. One need not be present to win. The drawing is for a Flat Screen TV!

**For straight forward donations to your club/team, use your QR code that can be found on the Foundation website. [www.vchsjaqfoundation.org](http://www.vchsjaqfoundation.org)**

## Donations:

- Fill out the donation form completely.
- Gift Certificates are to be turned in with the donation form on **April 2nd**.
- All items must be a \$50 value. You can combine items to reach the \$50 value.
- All items are brought to the gym at 8am the morning of the auction, during set-up.
- Multiples tend to reduce final bids.
- Remember: all items are donated, there are no reimbursements.

**Read the Auction Item Guidelines for complete clarification.**
